HONOURS AND AWARDS

- **Second Prize, Best Poster Presentation** — International Conference on Millets as a Nutritional Paradigm in Ensuring Food Security, Tamil Nadu Veterinary and Animal Sciences University, Koduvalli Campus, Chennai, India (**2023**).
  Poster: A Systematic Review on the Impact of Finger Millet on Blood Glucose Level.
- **First Prize, Best Paper Presentation** — International Conference on Innovation in Food and Beverage Technology for a Sustainable Future (IFBT), Tamil Nadu Veterinary and Animal Sciences University, Chennai, India (**2023**).
  Paper: Nutritional Values of Ready-to-Eat Snacks Available in the Indian E-Market: A Comparative Study Based on the Health Star Rating System.
- **First Place Prize** — International Conference on Higher Education Institutes' Challenges and Solutions for Sustainable Development Goals (ICSDG), SRM Institute of Science and Technology, Chennai, India (**2022**).
  Awarded for paper presentation and video project on food surplus utilization and food bank systems under SDG 1 (No Poverty).
- **Second Best Poster Award** — Menstrual Hygiene Management India Summit, SRM Institute of Science and Technology, Chennai, India (**2022**).
  Poster: The Impact of Frequent Oats Meal Consumption on the Management of Premenstrual Syndrome among Youth.
- **Valedictorian / Academic Excellence Award (Top Graduate)** — Department of Nutrition, Faculty of Health Sciences, Homs University (formerly Al-Baath University), Homs, Syria (**2017**).
- **Academic Excellence Award (Second Rank)** — Department of Nutrition, Faculty of Health Sciences, Homs University (formerly Al-Baath University), Homs, Syria (**2016**).
- **Academic Excellence Award (Third Rank)** — Department of Nutrition, Faculty of Health Sciences, Homs University (formerly Al-Baath University), Homs, Syria (**2014**).

ACADEMIC PROJECTS

- **COVID-19 Fatality Trends and Determinants in India** (Jan–Jun 2021)
  - Research Internship, School of Public Health, SRM Institute of Science and Technology.
  - Desk-based epidemiological analysis of factors influencing covid-19 case fatality rates in India.
- **Impact of COVID-19 Lockdown on Diabetes Distress (Type 2 Diabetes)** (Sep 2020–Apr 2021)
  - Master's Research Project, SRM Institute of Science and Technology
  - Hospital-based cross-sectional study; data collection and analysis at SRM Diabetes Clinic.
- **Evaluation of Oil Properties and Potato Changes during Frying** (Sep 2015–Aug 2016)
  - Bachelor's Dissertation, Department of Nutrition, Homs University (formerly Al-Baath).
  - Experimental study on frying conditions, oil quality, and food composition.

WORKSHOPS & TRAINING PROGRAMS

- **Introduction to Global Burden of Disease (GBD)** – Institute for Health Metrics and Evaluation (IHME), University of Washington (2026)
- **Mastering Biomedical Systematic Literature Reviews** – Elsevier Webinar (2024)

- **Orientation to Cochrane Library and Cochrane Reviews** – SRM Medical College Hospital & Research Centre (2024)
- **Overview of Systematic Review and Meta-analysis** – Faculty Development Program, SRM Institute of Science and Technology (2023)
- **Five-Day National Level Faculty Development Programme on Tackling Public Health Challenges (Multidisciplinary Approach)** – SRM Institute of Science and Technology (2023)
- **Recent Trends in Research Selection and Application of Statistical Tools (SPSS)** – Center for Research Innovation and Development, Kumararani Meena Muthiah College (2022)
- **Five-Day National Level Virtual Workshop on Data Analysis (SPSS)** – SRM Institute of Science and Technology (2022)
- **International Webinar on Social Network Analysis (SNA) in Index Case Tracking** – Noida International University (2022)
- **Hands-on Training in Bakery and Confectionery Products** – Department of Food Process Engineering, SRM Institute of Science and Technology (2022)
- **Training Course on Integrating Special Needs Students in Psychological Support Classrooms** – AOUN (Islamic Charity Association) & UNICEF (2018)
- **Course on Basics of Child Protection** – AOUN (Islamic Charity Association) & UNICEF (2017)

TECHNICAL & RESEARCH SKILLS

- Microsoft Office (Word, Excel, Access, PowerPoint, Outlook)
- Statistical Software (SPSS, STATA)
- MAXQDA (Qualitative Research Software)

LANGUAGES

Arabic: Native
English: Excellent
